Information

The Red Line Commuter Rail project aims to connect Uptown Charlotte to northern Mecklenburg County and southern Iredell County, bringing rapid transit to the region.

Public Input

Scan here to visit the Public Input page for the Red Line Commuter Rail project.

Talking Points

- The Red Line provides a direct transit service between Uptown Charlotte and the town centers of Huntersville, Cornelius and Davidson, with potential to extend to Mount Mourne.
- The Red Line Commuter Rail supports traffic reduction along I-77.
- The Red Line Commuter Rail drives economic development along the route.
- The Red Line Commuter Rail allows commuters to comfortably work while traveling.
