- **Call:** 614-645-2923
- Online comment submittal and additional information can be found here:
  www.publicinput.com/161ambleside

Please submit comments before July 29, 2023
Thank you!

Project Area Map

Shared Use Path **Mini Roundabout**
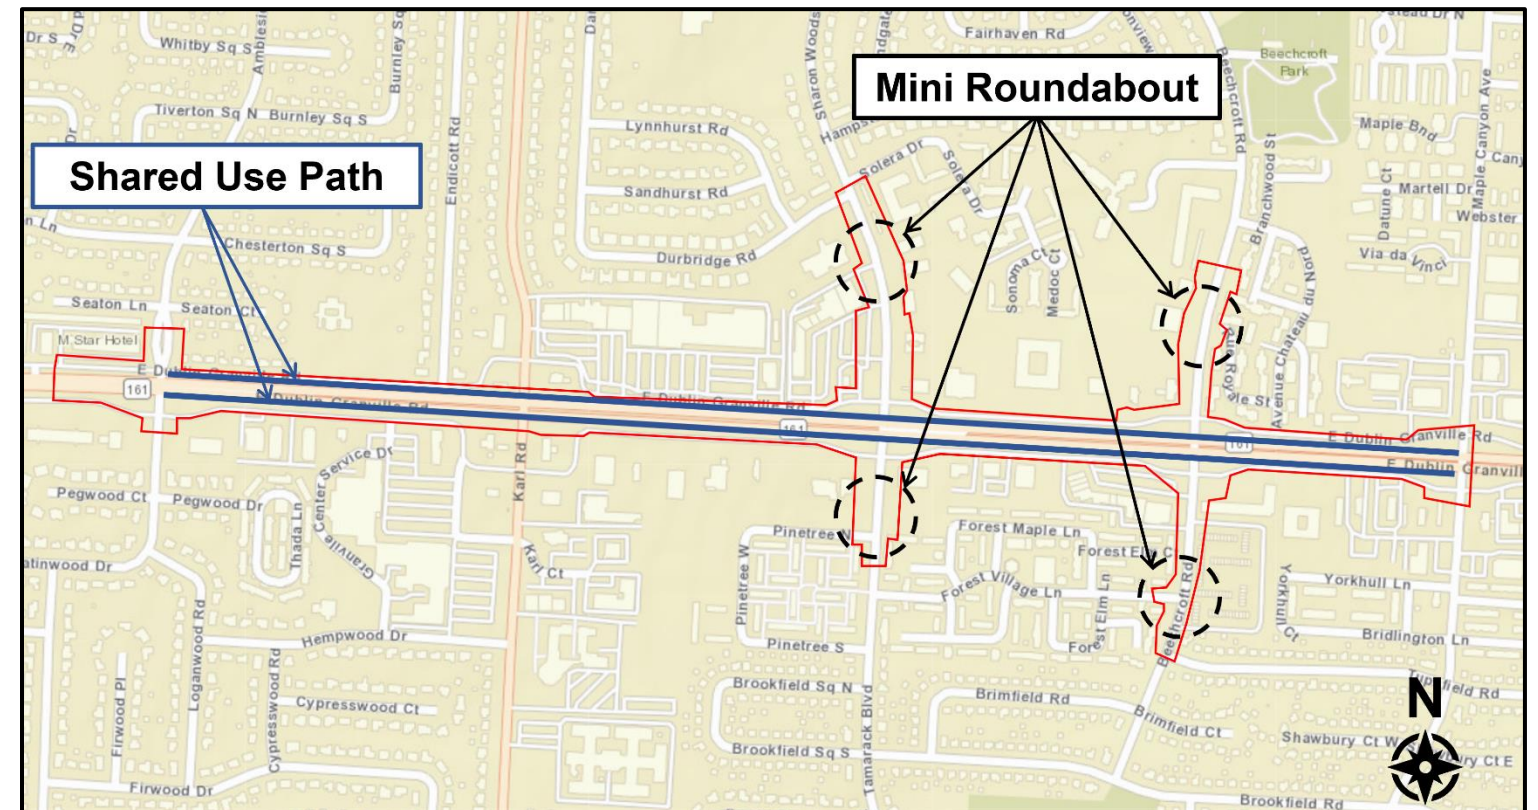

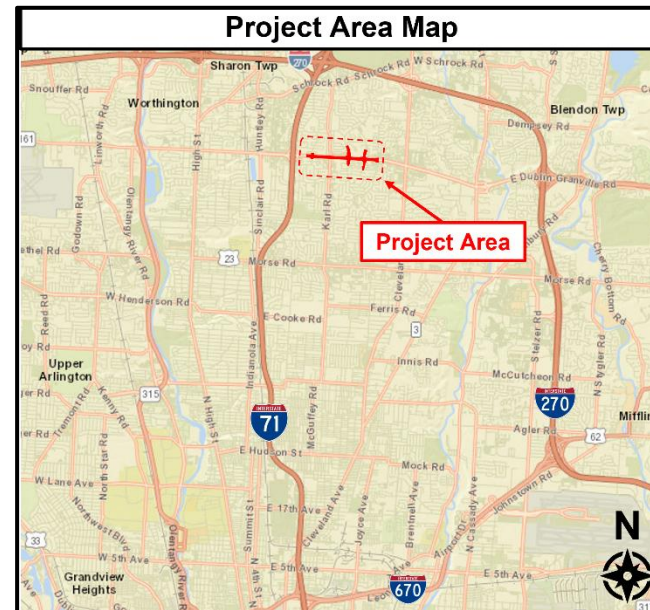

Proposed Improvements (see reverse for a more detailed exhibit)
- Replace the existing traffic signals at the intersections of S.R. 161 and Tamarack/Sharon Woods Boulevard and Beechcroft Road
- Construct a shared-use path on the north and south side of S.R. 161 between Ambleside Drive and Maple Canyon Avenue
- Improve side streets along Tamarack/Sharon Woods Boulevard and Beechcroft Road
  - Install urban roundabouts
  - Reconstruct, widen, and resurface pavement
  - Replace or install new sidewalk
  - Construct a raised median between SR 161 and the roundabouts, including through the service road intersections
- Curb, curb ramps, street lighting, and storm sewer improvements throughout the project corridor
