INFORMATION GUIDE

APPROVED

May 7, 2022

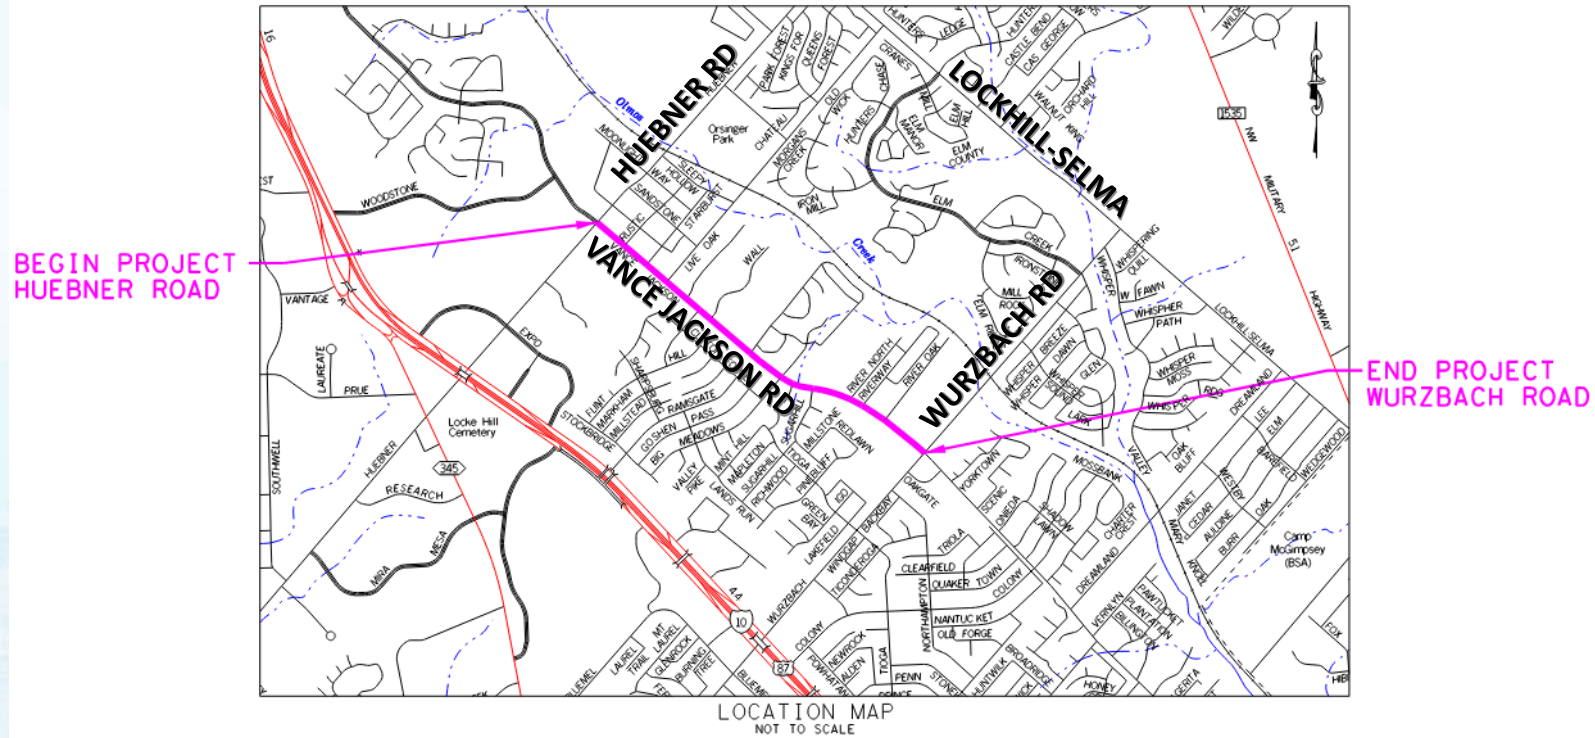

Vance Jackson Road (Huebner to Wurzbach)

Project Information

■ Scope

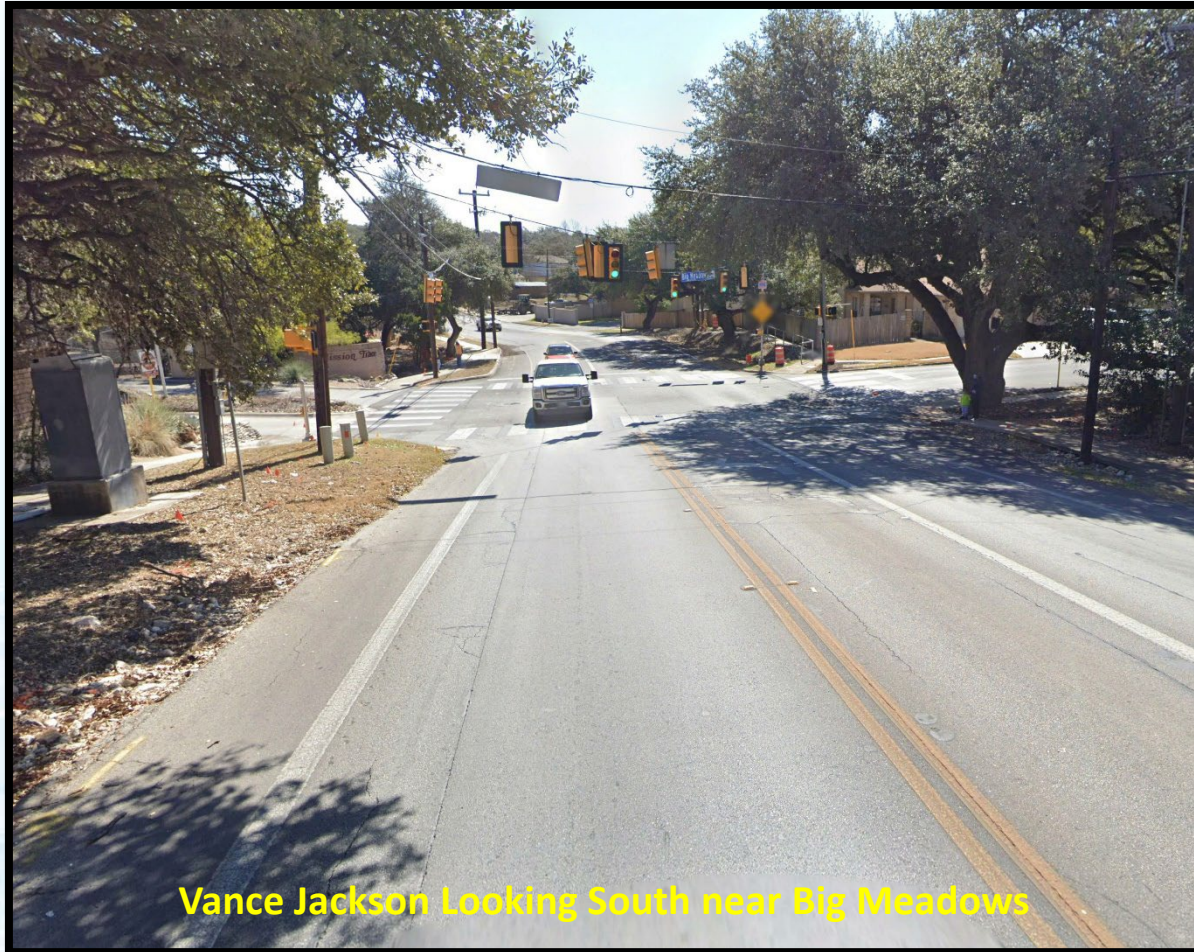

- Widen existing roadway by adding a consistent two-way center turn lane while preserving the character of the corridor
- Construct improved sidewalks and a shared-use path (SUP)
- Install underground drainage to connect to low-water crossing project

• **Total Funding: \$16 Million**

Vance Jackson Road (Huebner to Wurzbach)

Project Purpose and Need

Vance Jackson Looking South near Big Meadows

■ Project Need

- The corridor experiences heavy traffic especially during peak hours
- A significant amount of the slow-down that occurs is due to turning movements
- Existing sidewalks are intermittent and variable width
- Sidewalks do not currently meet accessibility guidelines

Vance Jackson Road (Huebner to Wurzbach)

Project Purpose and Need

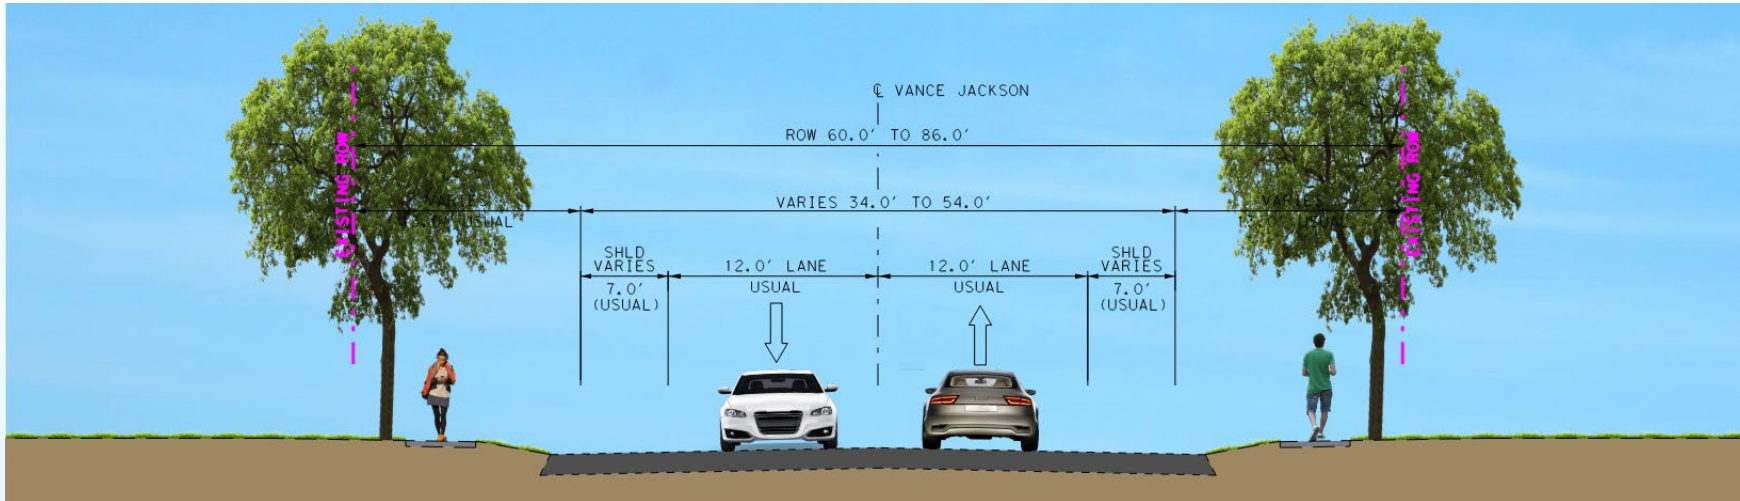

■ Project Purpose

- Adding a center turn lane to the corridor will improve traffic flow
- Consistent wider sidewalks, and SUP will improve pedestrian accessibility
- Establish this corridor as a multi-modal roadway provides additional safety
- Underground drainage will improve flow into the recently completed low-water crossing projects
