

TOWN OF RYE

WHAT IS A MASTER PLAN?

- ➔ Reflects and responds to the needs, values, and priorities of the community, while protecting Rye's sense of place, history, and environment
- ➔ Compiles information on a wide-range of community issues to assess trends and establish town policies
- ➔ Provides a vision and blueprint for the future
- ➔ Guides decisions on future growth, development, transportation, housing, municipal services, and natural resources
- ➔ Serves as the foundation for determining effective zoning, capital improvement planning, and land use decisions in the future
