

## Meeting Summary Report

**VIA Staff Attendees and Role:** Odilia Lara (Presenter), George Martinez and Fulgencio Valerio (Attendees)

**Date of Meeting:** November 27, 2023, at 1:00 p.m.

**Organization:** Alamo College Architecture Class

**Number of Attendees:** 15

**Materials Provided (e.g., presentation, fact sheet):** ART 101 Green Line Presentation, Business Cards with QR Code, Swag Bag – Red Cooler, green glasses, croc charms, and USB wristlet.

### Summary

Include in your summary the discussed topic, a general overview, and any key takeaways to be documented for VIA. **This should be no more than eight sentences.**

Odilia presented on behalf of Letty Vacek - shared information on the Advance Rapid Transit GREEN LINE, active participation by students, some comments, and several questions.

- **One student mentioned that it took her over two hours to travel** from Culebra 1604 area to the south side near South Park Mall.
- **Asked about the feedback from residents and business owners.** -- Shared how most responses have been in favor; those that express concern about access accommodation during construction phase.
- **Asked about lane types, bicycle access onboard buses, and crosswalk access to each station.** – Shared on accommodations and improvements to be made to address these.
- **Also asked about plans for landscaping along the corridor.** – Shared how improvements being made may include some.
- **Asked about City's role and Gentrification.** – Deferred that question to the city as we cannot answer.

### Action Items

Include here any action or follow-up items that need to be addressed by VIA staff.

#### Next Steps:
