- Hold Mayoral hearing
- Submit the plan and approval resolution to Council.

The Chevy Chase Small Area Plan (SAP) will, in collaboration with the neighborhood, establish a guiding vision for the area. This planning process is an opportunity for the community to envision how they see Chevy Chase contributing to a more equitable and inclusive DC for the next decade and beyond. Community discussions will focus on creating a vibrant, mixed-use gateway corridor that supports walkable retail and businesses, improving civic infrastructure, and advancing goals around housing and affordable housing.
