Shared-Use Path Alternatives

Little Miami Scenic Trail Connection to Elstun Road | PID 113602

Which alternative for bicycle and pedestrian improvements between the SR 32/SR 125 Interchange and Elstun Road do you prefer the most?

- Alternative A (pink): A shared-use path from the SR 32/SR 125 ramps to the Skytop property where it would terminate at a proposed trailhead along Elstun Road.
- Alternative B (green): A shared-use path from the SR 32/SR 125 ramps to a new bridge over Clough Creek, then along the west side of Elstun Road to SR 125.
- Alternative C (orange): A shared-use path from the SR 32/SR 125 ramps to a new bridge over Clough Creek, south of the UDF retail store and pumping station to Elstun Road, then along the west side of Elstun to SR 125.
- No Preference

Would you be interested in having the existing bike lane on eastbound (going uphill) SR 125 replaced with a shared-use path between Elstun Road and Ranchvale Drive?

- Yes No No preference
