

9000 South

Redwood Road to State Street

IMPROVED
by UDOT

Construction Begins Spring 2023

The Utah Department of Transportation (UDOT) will start on several improvements on 9000 South from Redwood Road to State Street beginning as soon as April 2023.

Improvements include:

One new eastbound and westbound lane from Redwood Road to 700 West

Buffered bicycle lanes from Redwood Road to 700 West

Continuous sidewalks throughout the corridor

Improve left turning from southbound 700 West to eastbound 9000 South

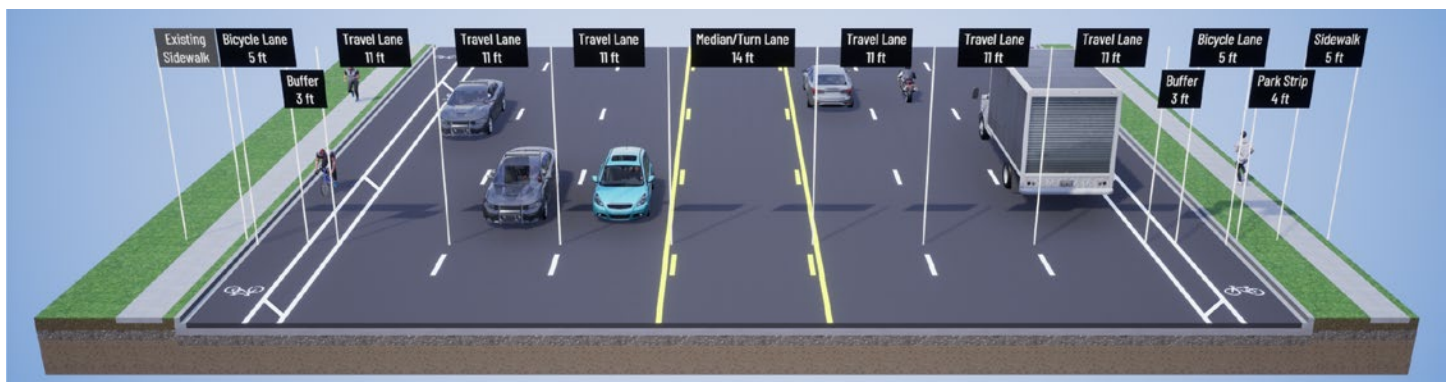

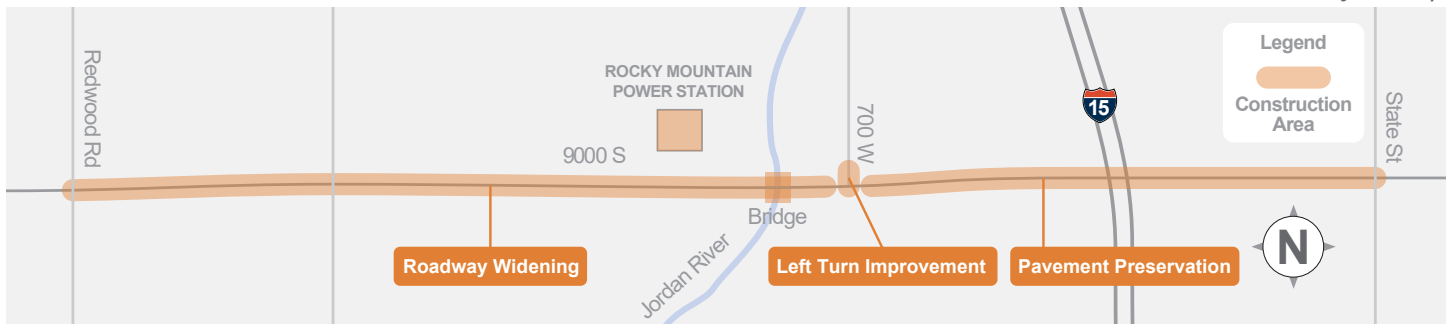

Repaving 9000 South from 700 West to State Street
