

The Utah Department of Transportation (UDOT) is beginning work to renew the roadway and improve pedestrian access ramps on SR-292 at Salt Lake Community College (SLCC), Redwood Campus. Work is scheduled to begin mid-July 2022 and continue through August. SR-292 consists of Bruin Blvd. and Community Blvd. surrounding the SLCC campus on the north, west, and south sides.

WHAT TO EXPECT

- One-way traffic
- Limited access to crosswalks
- No on-street parking
- Utah Transit Authority (UTA) bus access temporarily relocated or stops closed
- Construction vehicles in area
- Increased noise, dust, and vibration
