MCDOWELL CREEK GREENWAY VIRTUAL PUBLIC MEETING

McDowell Creek Greenway

VIRTUAL PUBLIC MEETING

December 16, 2021: 6 PM

Mecklenburg County Park and Recreation invites residents to discuss the McDowell Creek Greenway project. Join us to provide input for the overall vision for the greenway section from existing Torrence Creek Greenway (at Gilead Rd) to existing McDowell Creek Greenway (at NC73).

This project will add ~2.5 miles of trails connecting the surrounding neighborhoods and schools to great retail and park amenities at the existing greenways.

Learn more about the project and register at:
